

## Humour, supposedly

Contributed by Comprox  
Monday, 11 December 2006

We first welcome Freak83 to our ranks as a writer for the Readyroom. We spotted his funny writings over on the NS forums and asked if he could continue them for us. He accepted, his loss.

We first bring you his ways to own up in co from the NS forums, but do expect more, original work from him in the future. The far future.
