

ModDB Mod of the Year

Contributed by Comprox
Friday, 15 December 2006

Natural Selection has advanced to the second round of the ModDB.com Mod of the Year contest. It is now in the final 100 mods, so why don't you go over there and give a vote to our favorite one? If you can't vote, log into their site if you have an account. Guest voting is restricted to prevent cheating.
